

Track Office Supervisor / Technician - Job ID 11509**Romeo, MI****Removal Date: 8/3/2016**

Roush supplies comprehensive, integrated development services and provides customers with support that fuses technology and engineering. From design through prototyping, testing and manufacturing, we take our customers' visions from the sketch pad to production. We're focused, efficient, and we deliver. With over 3000 employees in more than 40 facilities across the United States, and interests around the world, Roush solves customers' problems and provides significant support to the automotive, performance products, military, entertainment, alternative fuels and consumer products industries. We are focused on performance, driven by technology, and committed to our customers' success. If you're only happy when your customers are happy, we want you on our team.

Due to increasing workload, Roush is looking for an experienced Track Office Supervisor / Technician to join our team. Working directly at a customer site, the Track Office Supervisor / Technician will manage a team of technicians and track operations. The Track Office Supervisor / Technician will also be a part of the Environment Response team. This position is for afternoon shift and is located at our Romeo, MI facility.
